

# ***Notice of Changes***

Please take a look at the last page of this packet. It references all the changes and/or additions made to the Youth Awards, Programs and Contests.

---

## ***Official Youth Website***

The ASPC/AMHR/ASPR Youth Committee has an "Official Website". This website is dedicated to keeping the youth of our Club/Registry informed and up-to-date with Awards, Activities, Programs, Contests and Shows. You can also find all of the forms, applications and information found in this packet. This site has pictures from shows and lists of past award winners. If there is something you don't see on the website and feel it would be beneficial to the rest of the Youth, please contact the Website Chairperson listed in the front of this packet.

## ***Youth Advisory Board***

The Youth Advisory Board was formed to gain feedback from the different Areas on Youth Activities. This Board may give the Youth Committee ideas and opinions on the different Youth activities offered throughout the year and at the National Shows. This is a volunteer position and we appreciate their dedication to the Youth.

There can be one Adult Advisor from each Area. The exception being in the larger Areas where the Youth base is separated. in which case there may be multiple advisors based on location & other factors. The Adult Advisors are the Youth Committee's local contacts in each Area. They are there for the Youth to ask questions and get information on Youth Activities. Advisors also help at the National Shows when they have the time.

The Youth Advisors are chosen based on the Area's Youth show population. Some of the larger Areas can have more than one Youth appointed as Youth Advisor. The Youth Advisors may answer surveys and give feedback from their fellow Youth as needed or on a project-by-project basis. They can also serve as additional points of contact for spreading youth news & information.

We are in the process of "re-constructing" this Program. Information on advisors nearest you can be found on the ASPC/AMHR Youth Website. If you have any questions concerning this program, please contact the Advisory Board Chairperson listed in the front of this packet.
